

## From the 1964 Conference

Editorial from EDN Magazine

## From the 1965 Conference

Nothing significant

## From the 1966 Conference

Glossy photograph (left to right) Jim Meindl Technical Program Chair and founding Editor of the IEEE Journal of Solid State Circuits , Gerry Herzog ( Conference Chair) Dick Baker ( Program Committee Member) in a jocular moment.

Glossy photograph: For years ISSCC held a Press Conference in January at Sardi's Restaurant in New York City. Lew Winner (Public Relations) at the portable podium powered by vacuum tubes: a source of constant teasing.
